## Cutting & Scoring:

- Designer Paper – 4" x 12" (you can make 3 boxes from 1 sheet of 12" x 12")
- Berry Burst – 1 3/4" x 4" and scrap for sentiment
- Ribbon – 16"

## Instructions:

- Place the Designer Paper, 4" side at the top, on the Simply Scored Board. Score at 1". Rotate it and score at 4", 5 3/4", 9 3/4", and 11 1/2".
- Cut off the 1/2" x 1" rectangle on the end. Snip up to the score lines on the remaining scored lines in this 1" area.
- Crease all the scored lines with the bone folder.
- On the 1/2" strip, place Fast Fuse on the "foil" side and adhere to the opposite side to create the box.
- Lay the box flat, fold back the flaps to expose the crumb cake side of the Designer Paper. Add Fast Fuse to the 1" x 4" pieces.
- Create the box by placing the small ends in first and add the long ends on top.
- With Fast Fuse, add the 1 3/4" x 4" Berry Burst to the inside.
- Tie the ribbon in a square knot on the right side of box. Place a glue dot under the knot to hold it in place.
- Stamp "From My Kitchen to Yours" on the scrap of Berry Burst. Punch with the Pretty Label punch. Add with a glue dot.
