Cutting & Scoring:

- Berry Burst – 8 $\frac{1}{2}$ " x 5 $\frac{1}{2}$ ", score and fold at 4 $\frac{1}{4}$ "
- Tranquil Tide – 4" x 5 $\frac{1}{4}$ "
- Whisper White – (2) 3 $\frac{3}{4}$ " x 5"
- Berry Burst Crinkled Seam Binding – 6" plus a small knot

Instructions:

- Die cut the 2 $\frac{1}{2}$ " x 4 $\frac{1}{4}$ " Lots of Label framelit from the center of the Tranquil Tide cardstock.
- Place both pieces of Tranquil Tide back together and lay inside the Holly Embossing folder; run through Big Shot machine.
- Tie the 7" of seam binding in a knot on the right side of the die cut cardstock. Trim off excess. Take a bit of the excess scrap and wrap around the left side. This will give the illusion that the ribbon is going all the way through the card.
- Stamp Merriest Christmas Wishes in Basic Black ink on (1) of the 3 $\frac{3}{4}$ " x 5" Whisper White, just off to the right slightly. Stamp a Christmas tree to the left. Stamp another tree in the bottom right corner of the remaining White cardstock. Color in the trees with the Crushed Curry marker.
- Place Stampin' Dimensionals on the FRONT of the stamped white cardstock, staying close to the edges. Center the sentiment in the window of the Tranquil Tide. Adhere to the front of the card.
- Adhere the remaining white cardstock inside the card.
- Place Glue Dots on the ends of the die cut, (3) along the bottom, and (1) in each corner on the top. Be careful and keep them close towards the outside so that your gift card will fit. Adhere close to the score line in the top of the card, inside.
- Add the ribbon knot with a glue dot on the side.
- Insert the gift card in the top
